

## **SAFETY FIRST**

The "Safety First" program is a free program facilitated by the Gracie Lee Haught Children's Memorial Fund for our local grade schools. The program brings the Police Department, Sheriff's Office, Fire Department, Emergency Medical Technicians, Game and Fish and other emergency departments together into the elementary schools to teach children about safety and what they need to do in the event of an emergency.

Bicycle helmets are distributed to all participating students at the end of the program.

Schools selected for the program during the **2009-2010** school year are:

Tonto Basin School

Pine Elementary

Payson Headstart

Families whose children do not attend the above mentioned schools and who are in need of a bike helmet can contact the Gracie Lee Haught Children's Memorial Fund at:
